

Dear Parent/Guardian

We are pleased to confirm that we have partnered with Taylor Shaw, your school's meals caterer to run a Wallace & Gromit pasta meal Theme Day on a day in November.

Lunch will be on Please return the slip below by to guarantee a lunch.

Putting a good cause on the menu

For every meal sold, Pasta King make a donation to Wallace & Gromit's Children's Charity. The charity is a UK-wide charity championing the cause of sick children by raising funds to improve their quality of life in hospitals and hospices throughout the UK.

Fun engagement

We will help your school and Taylor Shaw to make the Theme Day a fun experience for your child by offering a fun sticker when they receive their pasta meal. Prior to the day we will work with the caterer to run a colouring competition with fun Wallace & Gromit DVD prizes, plus the chance to win for their school a visit from Wallace & Gromit themselves on the day of the lunch.

Good food that fuels learning

Pasta King is a partner of LACA (Lead Association for Catering in Education) and this year they voted us Outstanding Supplier of the Year. All our pasta sauces are nutritionally responsible, being low in saturated fat, sugar and with reduced salt, in addition to meeting the government nutritional guidelines. We recognise the important part that diet and nutrition plays not only in the health but also in the performance of school children and our whole ethos makes it easy for schools and their caterers to provide healthier choices. Since our formation nearly 25 years ago, we have supplied nearly 200,000 million meals – testament to the Pasta King brand and of course the great taste of its products.

We thank you in advance for your support and if you would like further information about either Pasta King or the work of the charity, go to: www.pastaking.co.uk www.wallaceandgromitcharity.org

Yours sincerely

Christine Forrest
