

Rosa Street Primary School – Long Term Plan

Y4	Term 1a	Term 1b	Term 2a	Term 2b	Term 3a	Term 3b
Theme	Charlie and the Chocolate Factory		Roman Empire		Anglo Saxons and Scots	
English	Charlie and the Chocolate Factory Description of a chocolate bar Diary entry in role Description of a setting Narrative (linked to talk for writing)		Romulus and Remus Diary Entry Retell a Roman Myth Poetry		Beowulf Character description Information booklet linked to history	Diary entry in role Narrative Hot seating and Drama Non Fiction Information booklet
Maths	Number and place value Addition and subtraction Measurement (length and perimeter) Multiplication and division. Problem solving, reasoning and algebra. Times Tables	Multiplication and division. Problem solving, reasoning and algebra. Times Tables	Multiplication and division Measurement - area Times Tables	Fractions decimals Times Tables	Decimals Measurement-money Measurement-time Times Tables	Geometry: properties of shape Geometry: position and direction Times Tables

Rosa Street Primary School – Long Term Plan

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Science</p>	<p>Electricity- -identify common appliances that run on electricity -construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers -identify whether or not a lamp will light in a simple series circuit, based on whether or not the lamp is part of a complete loop with a battery -recognise that a switch opens and closes a circuit and associate this with whether or not a lamp lights in a simple series circuit -recognise some common conductors and insulators, and associate metals with being good conductors. Working Scientifically</p>	<p>Living things and habitats- -recognise that living things can be grouped in a variety of ways -explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment -Recognise that environments can change and that this can sometimes pose dangers to living things. Working Scientifically Animals including humans- -describe the simple functions of the basic parts of the digestive system in humans -identify the different types of teeth in humans and their simple functions -construct and interpret a variety of food chains, identifying producers, predators and prey. Working Scientifically</p>	<p>States of matter- -compare and group materials together, according to whether they are solids, liquids or gases -observe that some materials change state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celsius (°C) -Identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature. Working Scientifically</p>	<p>Sound- -identify how sounds are made, associating some of them with something vibrating -recognise that vibrations from sounds travel through a medium to the ear -find patterns between the pitch of a sound and features of the object that produced it find patterns between the volume of a sound and the strength of the vibrations that produced it -recognise that sounds get fainter as the distance from the sound source increases. Working Scientifically</p>
	<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Computing</p>	<p>IT- Bridge Design select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information Digital Literacy- Identify a range of ways to report concerns.</p>	<p>Computer science- Make a Roman invasion game Design, write and debug programs that accomplish specific goals. Use repetition in programs. Use logical reasoning to detect and correct errors. IT- Presentations. Digital Literacy- Recognise unacceptable/ inappropriate behaviour.</p>	<p>IT- Select a variety of software (Publisher/Word) to accomplish given goals, select, use and combine internet services. Digital Literacy- Understand how computer networks can provide multiple services such as the World Wide Web and appreciate how search results are selected.</p>

Rosa Street Primary School – Long Term Plan

History/ Geography	<p>Journey to England- (G) Location knowledge- -name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time Geographical skills -use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied</p> <p>A local History Study – (H) -a depth study linked to one of the British areas of study listed above -a study over time tracing how several aspects of national history are reflected in the locality (this can go beyond 1066) -a study of an aspect of history or a site dating from a period beyond 1066 that is significant in the locality.</p>	<p>(G) Weather and Climate- Location knowledge -locate the world's countries, using maps to focus on Europe -understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom Human and Physical -describe and understand key aspects of: physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle</p> <p>(H) Roman Empire + Impact- -Julius Caesar's attempted invasion in 55-54 BC -the Roman Empire by AD 42 and the power of its army -successful invasion by Claudius and conquest, including Hadrian's Wall -British resistance, for example, Boudica -'Romanisation' of Britain: sites such as Caerwent and the impact of technology, culture and beliefs, including early Christianity</p>	<p>(H) Anglo- Saxon and Scots settlement -Roman withdrawal from Britain in c. AD 410 and the fall of the western Roman Empire -Scots invasions from Ireland to north Britain (now Scotland) -Anglo-Saxon invasions, settlements and kingdoms: place names and village life -Anglo-Saxon art and culture -Christian conversion – Canterbury, Iona and Lindisfarne</p> <p>(G) Settlements Location Knowledge -name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time Human and Physical -human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water</p>

Rosa Street Primary School – Long Term Plan

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Art/ DT</p>	<p>(DT) Make -select from and use a wider range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing], accurately. Linked to Durham topic - Bridges. Evaluate -evaluate their ideas and products against their own design criteria and consider the views of others to improve their work Technical knowledge – Can we make our Bridge move? Technical knowledge -apply their understanding of how to strengthen, stiffen and reinforce more complex structures</p>	<p>(A) Sketching - Architecture (Bridges) -to create sketch books to record their observations and use them to review and revisit ideas -to improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay]</p>	<p>(DT) Mechanisms – War –Roman Catapult Design- -use research and develop design criteria to inform the design of innovative, functional, appealing products that are fit for purpose, aimed at particular individuals or groups. Linked to Roman topic. Make - select from and use a wider range of materials and components, including construction materials, textiles and ingredients, according to their functional properties and aesthetic qualities Evaluate - investigate and analyse a range of existing products Technical knowledge -understand and use mechanical systems in their products [for example, gears, pulleys, cams, levers and linkages]</p>	<p>(A) Mosaics- -Learn about great artists, architects and designers in history. -to create sketch books to record their observations and use them to review and revisit ideas</p>	<p>(DT) Make – Saxon Bread -select from and use a wider range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing], accurately Evaluate -understand how key events and individuals in design and technology have helped shape the world</p>	<p>(A) Textiles- Printing Saxon Runes -to create sketch books to record their observations and use them to review and revisit ideas -to improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay]</p>
