

## **Leadership Opportunities for Pupils:**

### **Activators (Group of KS2 children) / Playground Leaders (Group of Y6 children)**

These groups continue to help to run active activities at playtimes. Team skipping games are a firm favourite!

### **Fit For Life Representatives (KS2)**

Children from each class in Year 3-6 have become Fit for Life representatives for their classes and Miss Davison will continue to work with the children to develop their role across the school.

**Impact:** Increased pupil voice on PE issues and opportunities for leadership skills across KS2.

## **Children attended events through the SSP:**

**Year 1 Multiskills** All children took part in a range of activities in small teams, trying to improve their score in each round.

**Swimming Gala** A selection of KS2 children took part in events swimming various strokes including, breast stroke, back stroke and free style in individual and team relay races.

**Basketball** A team of Year 6 children took part in a basketball festival. We were delighted for one of our pupils to win an award for his effort.

**Impact:** Increased participation and confidence at events. These activities encourage children to work both as part of a team and try to improve their personal best.

## **Impact of Sport Premium**

at

**Rosa Street Primary  
School**

**Spring 2020**

### **SSP Support in school:**

Year 4 and 5 have worked with a SSP Specialist Teacher to complete the Team Up 2 programme.

### **Whole School Sports Competition Day**

All pupils took part in Athletic events.

**Impact:** The children were highly engaged in the athletic sessions. Staff and children have a greater understanding of good mental health.

## **Children attended events through the SSP: SSP Spennymoor Football League**

Year 6 children took part in the Championship League games and were second in the league.

### **Fit for Life**

The Fit for Life representatives from KS2 took part in a festival. They explored different fitness activities and worked on using correct posture and techniques in their fitness. The plank was a clear favourite!

**Sportability Event** A selection of children from across the school took part in a range of Paralympic activities.

**Impact:** Increased participation and confidence at activities. Children have a greater understanding that there is a sport for us all to enjoy. It encourages children to beat their personal best in activities.
