

Hello everyone,

We are now beginning week five of our second summer half term. Although I am in school, I will continue to do my best to reply and answer emails as soon as I can. Please continue to send pictures of work to the class email address. I am printing out photos of the children and their work and putting it on our wall of happiness in the classroom.

English

This week we will continue to work on the 'Brian Bear's Picnic' booklet. Can continue to work through and complete the booklet together? Remember you are able to provide your child with the level of support you think that they need.

Geography

Can you find the names of the four countries that make up the UK? Use the map and first label the countries and then label each countries capital city? Then you can colour each country a different colour. If you would like an extra challenge, can you use the internet or an atlas to name the seas that surround the United Kingdom?

PE

This week I would like to encourage children to take part in cosmic yoga sessions (on YouTube). We complete these in class and the children really enjoy them. The sessions are all themed and last for different periods of time. If a sessions is long don't feel like you have to complete the fully 30 minute session. I have included a link to the page. It would be amazing to see some pictures of children taking part in some of the different yoga activities.

RRS

This week it is article is 'Article 30: Every child has the right to learn and use the language, customs and religion of their family whether or not these are shared by the majority of the people in the country where they live'.

Task: Keep a food and drink diary for the week. What cultures do your food and drink come from? Which are your favourites?

Superhero Me

Complete the attached superhero me activity. You can decide if you would like to do the last or second off last layout on the document. You only need to complete one. Also feel free to create your own design and be as creative as you like. If you would like to make it a 3D picture or add glitter and feathers.

Phonics

Children can independently or with a grown-up access the Phonics Play site. As well as the usual games encourage children to play tricky word trucks so that they are able to confidently read these words by sight.

Maths

At 10am each day, White Rose is having a 'Maths Party'. Here's how you should join: Go to www.

Whiterosemaths.com/homelearning/

Choose your year group.

Watch the video

Try the questions.

Tweet your solutions or ask questions using the hashtags #MathsEveryoneCanAtHome and #MathsParty

I hope you have a lovely week. Please contact me via the class email address if you need anything. I will reply as soon as I can.

Missing you all. Take care,

Miss Bennett
