

Hello everyone,

We are now in our final week of home learning and your final week of year 1. In September when you return to school you will be in Year 2. I am so proud of you all! You have been a wonderful class this year and I hope you have enjoyed your time in Year 1. I can't wait to hear about all of the amazing things you get up to in Year 2. I know that you will all have a wonderful time with Mrs Grant. I have added in a mix of tasks and activities these week.

Transition

As you will be going into a new class with a new teacher I would like you to write a letter or create a poster about yourself for Mrs Grant. This is to help Mrs Grant get to know you better. You can tell her about your family or share with her the different things that you like to do. I will share these with Mrs Grant I know that she can't wait to find out more about you all.

Can you write about what you are most excited about going into year 2 and what you will miss about year 1? You can also draw a picture to go with this.

English

This week we will be continuing our Talk for writing booklet 'Bob, the bubble who wanted to be useful'. Can you complete the rest of the activities in the booklet?

RRS

This week it is article is 'Article 23 - A child with a disability has the right to live a full and decent life with dignity, and as far as possible, independence, and to play an active part in their community.'

Task: Last week in school we had a look at some Paralympic games and how they have been changed for people with disabilities. Can you find out about a Paralympic sport that interests you and find a way to show your findings in something like a story, poster, PowerPoint or drawing?

At home well-being

As a school we have been focusing on children's well-being. We have come across a lovely well-being booklet. This isn't specifically designed for year 1. Therefore some of the tasks might be challenging and unable to be accessed independently. These tasks are to be completed with a grown-up or explained in more detail by a grown-up. Some activities could also be completed verbally. As a parent decide what you think is best for your child and the level of support you think they will need.

Have an amazing summer holidays. I hope the sun gets out and you are able to have lots of fun with your friends and family. It has been a pleasure having you in Year 1 and I wish you the very best in Year 2. I know you will all be amazing for Mrs Grant.

Have a wonderful summer. I'll miss you all,

Miss Bennett ☺
