Summer Term 2
Year 4 - Mrs Wilson
Email: y4rosa@cclt.education

English

We have started to read our new class text, 'There's a Viking in my bed!' by Jeremy Strong. Previously, we have read other titles in his series and we're really excited to read this text. We will be writing a retell of the story and a non-chronological report about Vikings. We will also be engaging in a debate and learning to make arguments balanced using formal language.

Mathematics

Over the next two weeks, we will be taking part in the statutory 'Multiplication Tables Check' so we will be practising our multiplication tables at multiple points during the school day and for homework. We will also be learning how to count, compare, add and subtract money. We will be learning to tell the time to the minute and convert between digital and analogue times.

Dates for the diary

Multiplication Tables Check—
Week Beginning—
Monday 12th June
Bring a thing & non-uniform—
Friday 16th June
Maths Family Learning After-
noon—Friday 16th June

19th July

Careers

Geologist
IT technician
Scientist
Translator
Reverend
If you have time to come in
and chat to our children
about these jobs please
email the class teacher.

What can you do to help your child?

Homework is set every week
each Friday. It should be
handed in by Thursday.
We expect children to read
at home daily for at least 5
minutes. Thank you!

Online Resources/ Resources:

Conquer Maths
Timetables Rockstars
Spelling Shed

Gem Power

We are focusing on our
Emerald Power this half-term.
This is where we develop our
resilience when overcoming
challenge.

PE

Wednesday is our PE day. We
will be learning to develop
our communication and
coordination skills using posi-
tional language. Children will
need: plain white t-shirt,

Geography

We are learning about the
geographical features of
California; focusing on the
how earthquakes are
caused and the effects
they have upon people.
We will be making
reference to the work of a
geologist.

Religious Education

We will learn how and
why people show care
for others. We will explore
what care looks like in
different social situations
and how we can show
that we care.

MFL

In Spanish, we will be
developing our
vocabulary linked to
items around the home.
We will be learning how
to structure sentences.

Computing

We are learning how to
use Microsoft Word to
create a non-
chronological report from
our learning in English.
We will be learning to
format documents, save
and email them.

PSHE Including RSE

We will be learning how
to identify risks and ways
that we can manage
them, These include risks
in our immediate
environment and in
different places.

Science

We are learning about
what electricity is and
how we can use it. We
will learn to make
electrical circuits using
wires, switches, batteries
and bulbs.
